Blood Bank

Got a bit of time next month? Time to give blood and change lives? 1 in 3 people in Dandenong will need blood, and they need people like you to give it.

The [Australian Red Cross](#) will be popping up in New Street from 3 to 7 October. Don't forget to pre-book your spot at [lifeblood.com.au](#), on their app or on 13 14 95.

از هر 3 نفر در 1 Dandenong، نفر به خون نیاز دارد، و آنها به افرادی مانند شما نیاز دارند که آن را بدهند.

سازمان "صلیب سرخ استرالیا" از 3 تا 7 اکتبر در خیابان جدید ظاهر می شود. فراموش نکنید که مکان خود را از قبل در [lifeblood.com.au](#)، در برنامه آنها یا با شماره تلفن 13 14 95 رزرو کنید.

The poster features a red background with white and yellow text. At the top right is the Australian Red Cross Lifeblood logo. The main text reads "Give life. Give blood in Dandenong." followed by "3 to 7 October". Below this is an illustration of three people holding large letters 'O', 'A', and 'B' representing blood types. At the bottom left, the address "Dandenong Pop-up Blood Donor Centre, New Street, Vic 3175" and hours "Open 8am until 8pm" are listed. At the bottom right is the "give blood" logo.

Changes to Isolation Period for COVID Cases

Any student or staff member who tests positive to COVID-19 must now isolate for a minimum of 5 days instead of 7.

If they have **NO SYMPTOMS**, they may return to school on day 6.

If they are **suffering from SYMPTOMS**, they must remain in isolation until day 7. If they have symptoms after 7 days, they are strongly

advised to stay home until their symptoms have resolved.

As an additional risk mitigation, the Department of Health strongly recommends that those leaving isolation wear a face mask when away from home, both indoors and outdoors, and when they cannot physically distance. Those leaving isolation on day 6 should wear a mask for 5 days but particularly the first 2 days. Those leaving isolation on day 7 should wear a mask for 4 days but particularly the first 2 days.

Those leaving isolation should consider taking a rapid antigen test before attending school.

Our school will update its visual instructions shortly.

If you have any questions or concerns, please do not hesitate to contact the school.

Swimming Starts Week 1 of Term 4

Our swimming program commences on Wednesday 5 October. Ideally, all students will have returned their signed permission form by Thursday 15 September (tomorrow).

For those that have not returned their form, we will continue to accept swimming permission notices early next term.

If you need any help with your child's swimming notice, please contact the school office ASAP.

برنامه شنای ما از چهارشنبه 5 اکتبر شروع می شود. در حالت ایده آل، همه دانش آموزان باید فرم مجوز امضا شده خود را تا پنجشنبه 15 سپتامبر (فردا) برگردانند.

برای کسانی که فرم خود را پس نداده اند، ما اعلامیه های مجوز شنا را در اوایل ترم آینده می پذیریم.

اگر در مورد اطلاعیه شنای فرزندتان به کمک نیاز دارید، لطفاً در اسرع وقت با دفتر مدرسه تماس بگیرید.

TLI Newsletter Term 3, 2022

In term 3 we asked our TLI students: **How is TLI impacting your learning?**

This is what our students had to say...

"I know what to do if a word is tricky. I use my strategies"
It has helped me with my work in the classroom

Thank you for teaching me reading and writing
I have learnt that y makes an i and an e sound at the end of words... that's why I love this place

"I used to guess but now I know"

"It makes maths a dream. It will change your whole life because it makes me the fun and addictive!"

It helps me to not be confused, have fun and be more mathematical

Last week I read a book on my own... I know how to read!

If I don't know a word I now sound it out because I know my sounds

خبرنامه TLI ترم 3، 2022

ما از دانش آموزان خود پرسیدیم: **TLI چگونه بر یادگیری شما تأثیر می گذارد؟**

این چیزی است که دانش آموزان ما می گفتند:

من می دانم وقتی یک کلمه دشوار است چه کنم. من از استراتژی هایم استفاده می کنم

این به من در کارم در کلاس کمک کرده است

من یاد گرفتم در آخر یک می دهد. E و ا صدای Y کلمه به همین دلیل است من این مکان را دوست دارم

"قبلا حدس می زدم اما الان می دانم"

ریاضیات به من یک رویا تبدیل می شود و کل زندگی شما را تغییر می دهد. برای اینکه ریاضیات مدرسه من خنده و شادمانی را از همه ما استفاده کند

این به من کمک می کند که هیچ نترسم. و از آن لذت ببرم و بیشتر تالیف ریاضی بنویسم.

هفته پیش خودم توانستم کتاب بخوانم. همچنان میدانم که چگونه بخوانم.

دارم پاسپورت تحصیلی ام را پر می کنم. من صداهای زیادی را می شناسم.

WHY AGE RESTRICTION MATTERS ON SOCIAL MEDIA

A Helpful Infographic for Parents
www.myhouseofzing.ca

It's Not OK to Lie About Age

All social platforms have age restrictions so if your child has an account under that age, they had to enter a fake birthdate. Would you be okay with someone selling your underage child alcohol or cigarettes? Is that a precedent you're willing to set?

Marketing & Privacy

The Children's Online Privacy Protection Act (COPPA) protects children under 13 from having their personal information shared by 3rd party advertisers. This can include location tracking and a user's online behaviour.*

Effects on the Brain

Social interactions - such as receiving likes - releases a chemical in the brain called Dopamine, which is associated with addictions such as gambling, drugs and sex. That's not to say that everyone will become addicted, but why risk it?*

Impact on Happiness

Studies have shown that kids who spend a significant amount of time a day on social media are more likely to suffer depression and are at a higher risk for suicide. Kids on social are more isolated than those who spend time elsewhere**

Overall Maturity

Children cannot be expected to make the same decisions as an adult, no matter how mature they seem. They need to learn the difference between privacy and safety, understand how words effect others, and not be susceptible to risky activities that seek affirmation. Experience comes with age.

AGE RESTRICTIONS on PLATFORM

TIKTOK 13 yrs old	INSTAGRAM 13 yrs old	SNAPCHAT 13 yrs old	YOUTUBE 13 yrs old	FACEBOOK 13 yrs old
----------------------	-------------------------	------------------------	-----------------------	------------------------

NOTE: App Ratings refer to how old a person should be to download the app on their device, NOT the age to sign up for an account.
