Thank You, Dandenong Primary School
After the historic disruption of the COVID-19 pandemic, our school remained open for learning and teaching throughout the 2022 school year.

However, the year was not without its challenges. It has been an incredibly busy year for schools across Victoria with:

- The continuing impact of COVID-19 on students, families and staff
- A national teacher shortage, and
- The implementation of a new [Victorian Government Schools Agreement](#)

Despite the challenges, this year has been very successful. Learning outcomes were very positive and the results of [DET's annual staff, parent and student surveys for Dandenong Primary School](#) reinforce the notion that our community is such an exciting place in which to learn and teach. The work of students, families and staff alike has been both inspiring and impressive.

I am very proud to work alongside each of you in providing excellence in learning and teaching in Australia's number one most culturally diverse community.

I wish you all the best for a safe and relaxing summer break and I wish all the very best for our Year 6 'Class of 2022' graduates as they transition their way to the next exciting part of their learning journey.

Sincerely,

Daniel Riley
Principal

Student Hit by Car

Last week, a student from Dandenong Primary School was struck by a car while crossing the road to their house. [Police](#) and [Ambulance Victoria](#) attended the scene and, thankfully, the student was assessed to have escaped serious injury.

A witness reports that the student looked for oncoming traffic but continued to cross as a car approached. The driver reportedly braked, but the car, nevertheless, struck the child.

This is a timely reminder about being safe on the roads and footpaths around the local area. Several years ago, a student was struck in similar circumstances on Ronald Street and was also lucky to escape without any serious injuries.

[This short video highlights how to safely cross the road in Australia.](#) Our school believes that it is worth 4-minutes of your time followed by a discussion with your child or children to reinforce the messages around how to safely cross the road.

The [VicRoads website has some very good advice around pedestrian safety.](#) This includes the following advice for children of primary school age (5 to 12 years):

Parents and carers can help children by providing plenty of practical supervised experience in using the road safely, as a part of the journeys taken every day. Research shows that children under age 12 do not have the skills and experience to be safe in traffic. Teach them safe traffic behaviour and set a good example.

هفته گذشته یکی از دانش آموزان مدرسه ما در حین عبور از جاده در نزدیکی خانه خود با یک ماشین تصادف کرد. خوشبختانه این کودک آسیب جدی ندیده است. والدین و مراقبان می توانند با ارائه تجربیات نظارت شده فراوان در استفاده ایمن از جاده به عنوان بخشی از سفرهای روزانه به کودکان کمک کنند. تحقیقات نشان می دهد که کودکان زیر 12 سال مهارت و تجربه لازم برای ایمن بودن در ترافیک را ندارند. رفتار ترافیکی ایمن را به آنها بیاموزید و الگوی خوبی بگذارید.

تبره اونى زمورې د ښوونځي يو زده كوونكى كور ته څېرمه د سرک د تېرېدو پر مهال له موټر سره ټکر شو. خوشبختانه، دا ماشوم سخت ټپي شوى نه و. والدين او پالونكي كولى شي د ماشومانو سره د ورځني سفر د يوې برخې په توگه د خوندي سرک کارولو په برخه کې د ډيرى نظارت شوي تجربې چمتو كولو سره مرسته وكړي. څيرنې ښيي چې د 12 كلونو څخه كم عمر لرونكي ماشومان د ترافیک کې د خوندي كيدو مهارتونه او تجربه نلري. دوى ته د خوندي ترافیک چلند ښوونه وكړئ او يو ښه مثال يې وټاكئ.

Parent Payments 2023

Details about parent payments (school fees) for 2023 are available on our [website](#) and have been distributed to families with Semester 2 student reports.

Please note that all financial contributions are voluntary but the ongoing support of our families ensures that our school can offer the best possible learning and wellbeing outcomes for our students.

We are accepting payments now by cash or card, however we do not necessarily expect payment until 2023.

جزيئات مربوط به پرداخت های والدین (هزینه های مدرسه) برای سال 2023 در وبسایت ما موجود است و به خانواده هایی که گزارش های دانشجویی ترم 2 دارند، توزیع شده است. لطفاً توجه داشته باشید که همه کمک های مالی داوطلبانه است، اما حمایت مداوم خانواده های ما تضمین می کند که مدرسه ما می تواند بهترین نتایج ممکن را برای یادگیری و رفاه برای دانش آموزان ما ارائه دهد. ما اکنون پرداخت ها را به صورت نقدی یا کارت می پذیریم، اما انتظار نداریم تا سال 2023 پرداخت شود.

د 2023 لپاره د والدینو تادیاتو (د ښوونځي فیس) توضیحات زمورې په ویب پاڼه کې شتون لري او کورنیو ته د 2 دورې زده کونکو راپورونو سره توزیع شوي. مهرباني وکړئ په یاد ولرئ چې ټولې مرستې داوطلبانه دي، مگر زمورې د کورنیو دوامداره ملاتړ ډاډ ورکوي چې زمورې ښوونځی کولی شي زمورې د زده کونکو لپاره غوره زده کړې او هوساینې پایلې چمتو کړي. مور اوس د نغدو پیسو یا کارت له لارې تادیات منو، مگر تر 2023 پورې د تادیاتو تمه نه کوو.

Snapping up photo prizes

Greater Dandenong Mayor, Eden Foster announced the winners for the community photographic competition 2023. Each year the Council produces a community calendar, featuring photos of City of Greater Dandenong.

This year, residents were encouraged to submit their photos of the city with more than 370 photo entries received.

The entries were presented at an exhibition in the Walker Street Gallery and Arts Centre where the mayor announced the winners.

"The City of Greater Dandenong is a diverse and vibrant community, and the photos that will feature in the 2023 Community Calendar are a great example of this," Cr Foster said.

Twelve finalists were selected to feature in the 2023 calendar which is delivered to every household in Greater Dandenong.

The first prize winner, Tania Tivendale submitted a photo of a colourful parrot in a native tree which was captured in her front yard. Ms Tivendale took home a \$1,000 cash prize.

"It is a beautiful representation of the nature and biodiversity found in the City of Greater Dandenong," Cr Foster said.

Second prize winner was Daniel Green who submitted a drone photograph of the Dandenong Park at night, which will go on to feature for the month of April in the calendar.

Thirdly, Peter Oudman's photo was of the Di Zhang Wang Temple Bell at the Springvale cemetery.

The mayor announced that the Council will run this competition for the 2024 Community Calendar and details about this will be found on the Council website.

Planting Trees for the Queen's Jubilee Program

With huge thanks to the support of [Julian Hill MP](#), we have planted over 100 native trees as part of the 'Planting Trees for the Queen's Jubilee Program'.

The trees included a number of manna gums (koalas favourite!), wattle trees, and she-oaks. Planting took place across several days with the help of students, staff and parents. We particularly need to thank 'Mr Glenn' who has done much of the preparation work and watering over the last several weeks.

Before the trees were planted we had a new granitic sand track installed around the perimeter of what was previously very much a

'blank space' oval. Students have now taken to the path on foot and with bikes and we have planted trees around the track.

The new track provides greater access to the oval for all abilities. We look forward to increased bird life, natural shade, and beauty on our school oval space as the trees begin to mature.

[Check out this 2-minute video](#) of students enjoying the new track...

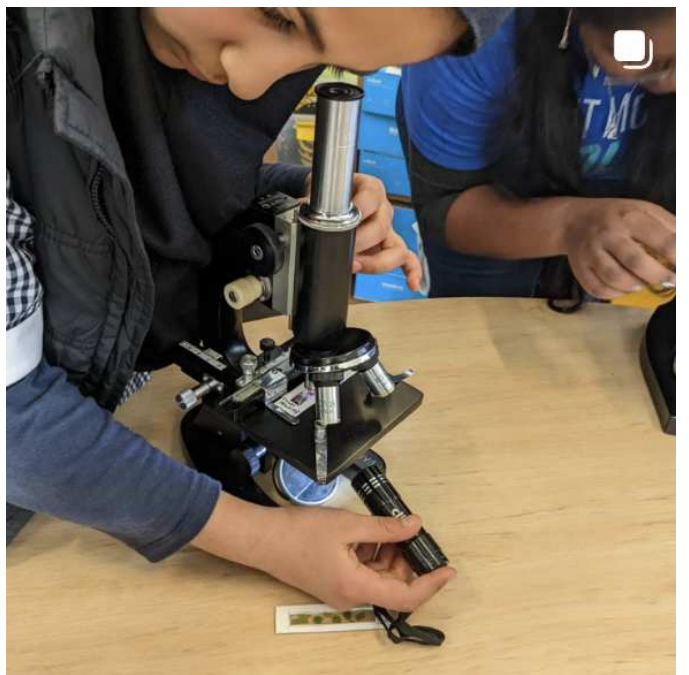

با تشکر فراوان از حمایت دولت استرالیا، ما بیش از 100 درخت بومی را به عنوان بخشی از "کاشت درختان برای برنامه جشن ملکه" کاشتیم. قبل از کاشت درختان، یک مسیر شنی گرانیتی جدید در اطراف محیط بیضی نصب کردیم. دانش آموزان هم اکنون پیاده و با دوچرخه به مسیر رفته اند و اطراف پیست را درخت کاشتیم. مسیر جدید دسترسی بیشتری به بیضی برای همه توانایی ها فراهم می کند. ما مشتاقانه منتظر افزایش زندگی پرندگان، سایه طبیعی و زیبایی در فضای بیضی شکل مدرسه خود هستیم، زیرا درختان شروع به بالغ شدن می کنند.

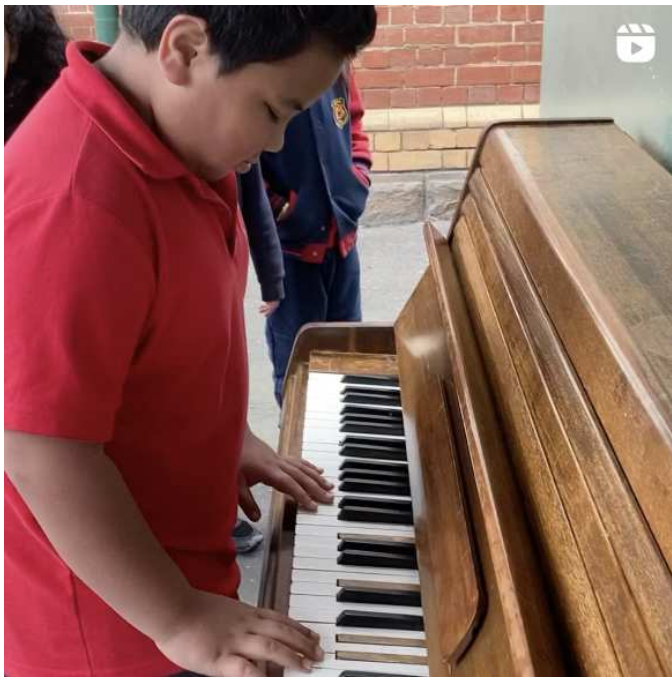

د استرالیا د حکومت د ملاتړ څخه ډیره مننه، موږ د ملکې د لمانځلو پروگرام لپاره د ونو کښت کولو برخې په توګه له 100 څخه ډیر اصلي ونې کرلي دي. د ونو کښت کولو دمخه، موږ د بیضا د احاطې په شاوخوا کې د گرانایټ ریت نوي لار نصب کړه. زده کونکي لا دمخه په پیاده او بایسکل کې تریک ته تللي دي، او موږ د لارې شاوخوا ونې وکرل. نوی تریک د ټولو ورتیابو لپاره اوول ته ډیر لاسرسی چمتو کوي. موږ سترګې په لار یو چې د مرغیو ژوند، طبیعي سیوري او زموږ د بنوونخي بیضوي ښکلا ته سترګې په لار یو څکه چې ونې په بالفیدو پیل کوي.
