New Child Safe Standards Coming Soon

The <u>Child Safe Standards</u> are changing with new Victorian Child Safe Standards and Ministerial Order 1359 begin on Friday 1 July 2022.

The standards include new requirements to keep students safe, covering:

- the involvement of families and students in child safety efforts
- schools' focus on safety for Aboriginal students
- better management of the risk of child abuse in online environments
- governance, systems and processes to keep students safe.

This will mean some updating of a number of our school <u>policies</u> which will take place in the coming weeks.

NEW Before & After School and Vacation Care Coming Soon!

After many years sharing a before and after school service with our friends at <u>St Mary's Primary School</u>, we're excited to announce our partnering with <u>CommunityOsh Outside School Hours Care</u> to provide before and after school AND vacation care onsite at <u>Dandenong Primary School</u>.

This service will launch in mid-June, just before the winter break. Ahead of the launch, we're holding an information session for families on Thursday 19 May at 3pm in the school hall.

Alison Rogers Announces Departure

It is with a mix of sadness and a huge amount of gratitude (for all that's been achieved) that we learn of Alison Rogers decision to leave Dandenong Primary School this term. This decision comes with Alison's recent move to rural Victoria with her husband, Neil.

Alison has done an extraordinary job over more than 7 years in her role as Dandenong Primary School Community Hub Leader.

Alison has given nothing short of her heart and soul to the role and has made an outstanding contribution to the Dandenong Primary School community.

Community Hubs Australia CEO, Sonja Hood, has sung Alison's praises throughout Alison's time leading the hub, recently affirming:

"not only does Alison run a great hub, but she has also been instrumental in helping us to understand what is and isn't possible in the hub environment".

Alison's time with us at Dandenong Primary School will formally come to an end towards the end of May. In the coming weeks our community will work to organise a celebration of Alison's incredible contribution to all of our lives over a significant period of time.

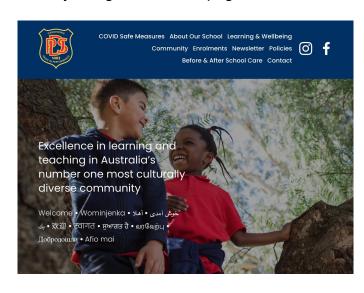

NEW School Website

Say hello to our new website! The new site has been made on the Squarespace platform which means we can keep it up-to-date with ease and hopefully provide a practical site for our community.

You can find the new site at the same old location here:

Albanese Labor Government to Invest \$30,000 Towards a Spacenet Climbing Structure

Member for Bruce, <u>Julian Hill MP</u> has let us know that an Albanese Labor Government will invest \$30,000 towards a 'spacenet' climbing structure at <u>Dandenong Primary School</u> Having good climbing skills is important for all children as this allows them to be physically active and interact socially around the playground.

Mr W (pictured) is very excited and champing at the bit to get climbing!

Introducing Keery

It is with great delight that we introduce Keery Gibson as the incoming Dandenong Primary School Community Hub leader.

Keery has big shoes to fill following Alison's departure but with the wealth of knowledge and experience that Keery brings to the role, we're excited for the next chapter of our Community Hub.

Keery (right) is pictured with three of our fabulous students in Mitesh, Hasti and Ayen.

We will Mrs Truscott the most excellent of adventures around this fascinating land of ours in Australia!
