WHAT FRIENDSHIP SHOULD FEEL LIKE

With a good friend, you should feel:

SAFE

You can count on me!

Free to be YOURSELF

I like your hat!

SUPPORTED

What's the matter?

With a good friend, you should **NOT** feel:

AFRAID

How could you miss that goal?

REJECTED

We're not playing with you today.

ASHAMED

Your hat looks stupid.

Our Commitment to Child Safety

Dandenong Primary School is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have **no tolerance for child abuse** and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender

diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

To support child safety and wellbeing at Dandenong Primary School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

We inform students of their rights through our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers.

PROTECT

Everyone has the right to be safe and be protected from abuse.

No one should behave in a way that makes you feel unsafe or afraid, including anyone in your family, anyone at school or anywhere else in the community.

Tell a teacher or any adult at your school if you feel unsafe.

We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at <https://www.dandenongps.vic.edu.au/policies>

National Science Week 2023

We had a fabulous National Science Week celebrating science and technology. Our week included excursions and incursions, classroom experiments and challenges, and a wonderful before school STEM morning with parents, caregivers and guests.

Thank you students and staff for all of the learning and teaching in such an action packed week for [Dandenong Primary School](#).

هفته ملی علم شگفت انگیزی داشتیم که علم و فناوری را جشن می گرفتیم. هفته ما شامل سفرهای میدانی و هجومها، آزمایشها و چالشهای کلاس درس، و یک صبح STEM فوقالعاده با والدین، مراقبان و مهمانان بود.

موپ د ساینس او تیکنالوژی. په اړه د حیرانتیا ملي ساینس اونۍ ولمانځله. زموږ په اونۍ کې ساحوي سفرونه او سفرونه، د ټولګي تجربې او ننګونې، او د مور او پلار، ساتونکو او میلنمو سره د STEM په زړه پورې سهار شامل وو.

To celebrate National Science Week, here's a photograph of our Grade 3/4 'Class of 1969'.

At 12.56 pm on 21 July 1969 Australian Eastern Standard Time (AEST), these young legends gathered around our school's single black and white television to join 600 million people around the world witnessing humankind's first steps on the Moon. If you have any photographs or artefacts to share, we would love to hear from you!

در ساعت 12:56 بعد از ظهر روز 21 ژوئیه 1969، این دانش‌آموزان دبستان داندونگ در اطراف تلویزیون سیاه و سفید مدرسه ما جمع شدند تا به 600 میلیون نفر در سراسر جهان بپیوندند که شاهد اولین قدم‌های بشر بر روی ماه بودند.

د غرمې ۱۲:۵۶ بجې د ۱۹۶۹ کال د جولای په ۲۱ مه د دندینگ د لومړني ښوونځي زده کوونکي زموږ د ښوونځي د تور او سپین تلویزیون په شاوخوا کې راغونډ شول تر څو د نړۍ له ۶۰۰ میلیونو خلکو سره یوځای شي چې په سپوږمۍ کې د لومړي انسان قدم وویني.

Sun Protection Hats from 1 September
 Schools have a requirement for staff and students to wear an appropriate sun protection hat when in the outdoors from 1 September through to 30 April and anytime when UV levels are forecast to reach 3 or higher.

Our school has a selection of SunSmart hats to purchase from the school for around \$10 each. Cheaper options are available from time to time at Kmart and other stores in the Dandenong Plaza.

Overexposure to the sun's ultraviolet (UV) radiation during childhood and adolescence is a major skin-cancer risk factor. Melanoma is the most common cancer in Australians aged 13 to 24 years and is caused by UV damage.

مدارس از 1 سپتامبر تا 30 آوریل و هر زمانی که پیش‌بینی می‌شود سطح UV به 3 یا بالاتر برسد، از کارکنان و دانش‌آموزان موظف است که از کلاه ضد آفتاب مناسب هنگام حضور در فضای باز استفاده کنند.

One of these things is not like the others

CAPS DON'T KEEP THE SUN OFF!

Brimmed, legionnaire and bucket hats protect the neck, ears, temples and sides of the face – offering very good sun protection to these vulnerable areas which are common sites for skin cancer. Baseball caps and visors do not provide adequate protection.

Too early	Right on time	Too late

Thank you for arriving at school on time!

په خپل وخت د رسیدو لپاره مننه! ممنون که به موقع رسیدید!

شکرا لک علی و صبرک فی الوقت المحدد! ਸਮੇਂ ਸਿਰ ਪਹੁੰਚਣ ਲਈ ਤੁਹਾਡਾ ਧੰਨਵਾਦ!

Хвала што сте дошли на време! சமியானை சேர்த்ததில் வந்ததற்கு நன்றி!

Arriving late to school interrupts the learning and teaching for everyone.

چونوځي ته لږوځه رسېدل د هرچا لپاره زده کړه او تدریس گډوډوي.

بډي الوصل منځرًا إلى المدرسة إلى تعطيل التعلم والتعليم للجميع.

Каснење у школу утиче на свачије учење и поучавање.

Lost school days build up one absence at a time and impact learning and friendships.

د ښوونځي له لاسه ورکول په زده کړه او ملګرتيا منفي اغېزه کوي.

یوځر اللغيوب عن المدرسة سلبًا على التعلم والصداقات.

Истакане школе негативно утиче на учења и пријатељства.

Respectful school communities start with respectful behaviour

Parents, carers, staff and students can help keep our school community safe, supportive and respectful.

Good relationships are based on:

- Open and honest communication
- Trust and respect
- Working together
- Fair and reasonable expectations by all

These behaviours are not okay in our school community:

- Threats
- Harassment
- Aggression
- Violence
- Discriminatory and derogatory comments
- Intimidation
- Rudeness
- Threatening gestures

This includes in-person, over-the-phone, email, text message, social media and online.

For more information ask your school about the **Respectful Behaviours within the School Community Policy**.
